SECOND READING

14-075 Councilors Byron, Grant, O'Brien and Paradis

WHEREAS, the City Council finds that, based on the 2010 U.S. Census, the population of the City Council Ward with the greatest population is more than 10% larger than the population of the City Council Ward with the least population; and,

WHEREAS, this population variation does not comply with MSRA Title 30-A, Section 2503; and,

WHEREAS, the City Council ward councilors met to create a proposal to reapportion the wards to comply with state law.

NOW THEREFORE BE IT ORDAINED, By the City Council of the City of Augusta that the following changes be made to the Ward Boundaries map for the city of Augusta as stated below and shown on the attached map.

The following area that is currently Ward 3 will become part of Ward 1: An area bounded on the east by the Kennebec River starting at the point in the river where the railroad trestle crosses the river, then turning south to Bridge Street, then turning west on Bridge Street and proceeding to the intersection of Bridge and State Street, then turning north on State Street to the intersection of State Street and Laurel Street, then turning east on Laurel Street to its intersection with Water Street, turning south on Water Street to the rail road trestle, then turning east and following the railroad to the point of beginning.

The following area that is currently part of Ward 2 will become part of Ward 1: Starting at the point where the south end of State Street intersects Memorial Circle proceeding south on State

Street to its intersection with Capitol Street, then turning west on Capitol Street and proceeding to the intersection with Chamberlain Street, then turning north on Chamberlain Street and proceeding back to the point of beginning on Memorial Circle.

14-076 City Council

WHEREAS, the City Council finds that rezoning on the Eastside near the former Maine General Hospital is in the best interest of residents and the new owner of the property; and

WHEREAS, the Planning Board has reviewed the issue, held a public hearing, and made a unanimous recommendation in favor of amending the Land Use Ordinance.

NOW THEREFORE BE IT ORDAINED, By the City Council of the City of Augusta that the zoning for Tax Map 37, Lots 1, 8, 9, 29, 30, 30-A, 32, 33, 55, 60, 62, 63, 64, and 69 be changed from Institutional/Business/Professional (BP) to Medium Density Residential (RB1). Further, that Tax Map 37, Lots 24, 25, 26, 27, and 66, plus Tax Map 38, Lots 166, 168, 189, and 190 be changed from Institutional/Business/Professional (BP) to Kennebec Business District 2 (KBD2).

14-077 City Council

WHEREAS, the City Council finds that rezoning on the Eastside near the former tissue mill site is in the best interest of residents for the marketing and redevelopment of the property; and

WHEREAS, the Planning Board has reviewed the issue, held a public hearing, and made a unanimous recommendation in favor of amending the Land Use Ordinance.

NOW THEREFORE BE IT ORDAINED, By the City Council of the City of Augusta that the following changes be made to the Official Zoning Map of the city of Augusta:

Tax Map 38, Lots 235, a portion of 235A (as shown on the attached map), Tax map 39, Lots 3A, 4, 32, 35A, 36, Tax Map 40, Lots 11, 14, and a portion of 16A (as shown on the attached map) be rezoned from Industrial (I) to Kennebec Locks (KL).

Tax Map 39, Lots 37, 38, 39, 40, 40A, 41, 41A, 42, 43, 44, 45, 46, 48, 49, 57, 58, 61, Tax Map 40, Lots 1, 2, 3, 4, 5, 6, 8, 11A, be rezoned to Medium Density Residential (RB1).

And that a new zoning district called the Kennebec Locks District (KL) be created as follows:

Purpose: The Kennebec Locks District is part of the city's growth area and is adjacent to the urban core. It is an urban, high density zoning district. It is intended to be a mixed use district with carefully crafted development standards to ensure the area becomes an attractive, walkable, viable commercial and residential area in a desirable part of the city. Public access to the shoreline of the Kennebec River is very important.

Dimensional Requirements

<u>Use</u>	<u>Min. Lot Size</u>	<u>Minimum Frontage (Feet)</u>	<u>Minimum Depth (Feet)</u>	<u>Area Per Dwelling Unit</u>	<u>Min. Front Setback** (Feet)</u>
<u>All Uses</u>	<u>10,000 Square feet</u>	<u>75</u>	<u>75</u>	<u>20,000*** Square feet</u>	<u>15/35</u>

Minimum side/rear setbacks are flexible; see sections 5.1.1 and 5.1.16.

**Minimum front setback: 35 feet from street ROW line of arterial and collector streets; 15 feet from the street ROW line of all other streets.

***May be reduced to 2,500 square feet per dwelling unit if served by public sewer.

a) Design Criteria. The following minimum design criteria shall be met within the Kennebec Lockes (KL) District.

1. Outdoor Lighting Standards: The purpose of this section is to provide Outdoor Lighting Standards to help ensure compatibility with neighboring uses, preserve our dark skies, and provide a more pleasant and comfortable nighttime environment while preserving the ability to install effective security lighting.

i. Lighting fixtures shall be a full cut-off design that is shielded, hooded and oriented towards the ground so that direct rays of lighting source(s) are not visible past the property boundaries and do not shine into the night sky; and

ii. Use of motion sensing devises are encouraged; and

iii. Lighting shall not blink, flash or be of unusually high intensity or brightness; and

iv. All lighting fixtures shall be appropriate in scale, intensity and height to the use they are serving.

v. New or replacement lighting of streets/roads within the district shall be shielded, downward pointing.

vi. Exemptions:

1. Lighting fixtures installed on residential structures with incandescent lamps, or equivalent. This exemption does not apply to fixtures that light parking areas, driveways, sports areas or outbuildings;

2. Seasonal decorative lighting fixtures;

3. Lighting fixtures used temporarily for emergency purposes.

4. Public athletic fields, fairgrounds and approved temporary special events lighting.

5. Lighting fixtures of equivalent to sixty (60) watts or less of incandescent bulbs.
2. Location of Parking, Servicing, and Loading Areas for non-residential uses: All off-street parking lots/areas/stalls, vehicle servicing areas (including gasoline/diesel pumps), and delivery and garage bay doors shall be located at the side or rear of buildings, the only exception being for handicapped parking spaces, which may be located at the front of the building. Bufferyard standards for Urban, Industrial, and Planned Development Districts identified in section 5.1.1 of the Land Use Ordinance are applicable to all parking lots with 6 or more spaces.

Screening of Machinery, Equipment, Storage Areas, and other Appurtenances for non-residential uses: Open storage areas; exposed machinery, electrical/electronic equipment, heating and/or air conditioning equipment, fuel tanks, etc (whether located above the ground on structures or on the ground); areas used for storage & collection of rubbish; and areas determined to be similar to those listed, must be visually screened from roads and surrounding land uses. Suitable types of screening for above-ground equipment, storage areas and appurtenances includes landscaping (e.g. shrubs, plants, trees, fencing) and/or architectural elements (e.g. false walls, false roofing, masonry, blocks, etc.). Suitable types of screening on the ground include opaque wood fences and dense evergreen hedges of five (5) feet or more in height. Where evergreen hedges are proposed, a temporary fence shall be built to provide screening until the evergreens are of sufficient height to hide the unit(s) being screened.

Amend Table 5.1.1-A to add the KL district to the cell that says “Bufferyard requirements in the Urban Area (RA, RB1, RB2, BP, KBD1, KL, CB, CC, CD zones):”

Further amend the Augusta Land Use Ordinance as follows:

5.1.17.1.1 **Size, setback, and height regulations.** Ground graphics must comply with the following size, setback, and height regulations. Size shall be reduced by 10 percent for every 10 feet, or portion thereof, that a sign does not meet the proper distance between ground graphics in §5.4.3.

District	Size (Sq. Feet)	Setback (side and rear only) (Feet)	Height (Feet)
